

## **Group Director-Leader 1-on-1 Guide**

### **Before the Meeting:**

- Review notes from previous 1-1 meetings to identify issues or areas for follow up in future meetings
- Think and pray about the direction of the meeting

### **During the Meeting:**

- How is the leader doing personally? How are they growing in their vital relationships?
- How are the group members doing personally? How are they growing in their vital relationships?
- How is the leader creating an environment around the 6 leader essentials?
- Help the leader discover next steps for himself or for the group.
- Identify action items for the leader or director and issues for follow up at the next meeting.

### **After the Meeting:**

- Document the results of the meeting
- Follow up on any action items from the meeting

**Internal Use Only**
