

*For those with small children  
in the Worship Service:*

We're glad you and your family have chosen to attend Browns Bridge Community Church today.

For those of you who don't know, we have an incredible environment designed just for your baby or preschooler. It is called Waumba Land, and it's a lot more fun than big church! A Host Team member, located at the entrance to the auditorium, will be happy to assist you in locating Waumba Land.

Because restless children can be a distraction to guests around you, if you choose to keep your child in the service, we ask that you sit near the aisle on one of the back four rows of the auditorium. This will make it easier for you to slip out of the service should your child become restless or noisy. Please ask a Host Team member if you need assistance.

*Thanks for your help!*
