The Bible makes it clear that we should avoid sexual immorality (I Thessalonians 4:3-6). Being "above reproach" and "having a good reputation" are two of the qualifications for spiritual leadership listed in I Timothy 3. In light of this, globalX is highly concerned about this area of moral purity for our missionaries. It is critical that each missionary exhibit strong convictions and a lifestyle consistent with Biblical standards.

A past problem in this area does not necessarily disqualify you, provided:

1. It can be determined that convictions are strong and consistent with scripture.
2. A sufficient "time-tested" track record of victory has been established.

**NOTE:** The information that you share with us will be treated confidentially and will be viewed only by individuals directly involved in your application decision. Because of the sensitive nature, please complete this part of the application separately and email it to one below:
